Team #3641 "The Flying Toasters"**

Help Inspire High School Youth as a Robotics Family & Friends Donor

This year's 2017-2018 combined Robotics Team from South Lyon East High School (SLEHS) and South Lyon High School (SLHS) is seeking individuals and businesses who would like to help inspire youth as a donor or sponsor. South Lyon's Team 3641 "The Flying Toasters" is helping students develop a passion for science, technology, engineering, art, and math (STEAM).

Every dollar donated will be used to build a robot and assist with team expenses.

Checks may be payable to "South Lyon Robotics". Checks can be handed to SLEHS/SLHS robotics students or mailed to:

Coach Weber (Attention: Robotics Team)
South Lyon East High School
52200 West Ten Mile Road
South Lyon, Michigan 48178

If donating to the team, please provide the following information for team records:

1. Name: _____
2. Address: _____
3. Is a tax deduction needed? Please Circle (Yes / No)
(If yes, your donation will be processed through school board administration rather than the robotics boosters.)
4. For large donations of \$500 or more, your family name will be added to our team T-Shirt. Please provide the specific wording that you would like (i.e. Johnson Family):

Follow the team's progress in 2017 at the team's website: www.theflyingtoasters.org . Please help inspire youth in our community for the 2017-18 Robotics Season. Thank you.
